VENTURA+ CLEAR/BLACK SIL.MASK

The very popular Ventura made by Technisub some years ago has since last year a New Version, Ventura+. This mask represents the **evolution** of **Ventura Mask**, **one of the most popular diving masks in the world**, a complete mask with patented cardanic joint buckles, silicone strap with wide headpiece. This year there is a new colour - Orange.

Retail Price: € 39.00

Available in Clear Silicone too

Colours: Red, Blue, Grey, Orange.

EXPRESS ADJ FINS

Retail Price: € 85.00

The very successful and beautiful fin Express has a brother this year – it is called Express Adjustable

- Large blade, elastically linked to the shoe-tip (slingshot effect)
- Elastic rubberized zone in the fullfoot tip. It allows the fin's blade to bend to the optimum angle to obtain a positive thrust from the complete surface of the blade. Once loaded with energy on the power stroke, it will release the energy prior to the upstroke to provide an added boost of power.

Available in following colours:

Red, Pink, Blue, Grey, Orange(patented).

HOTSHOT FINS

Probably the most comfortable and compact fin ever designed. It is flexible and can be packed into your hand bag.

- A unique Fin. Comfortable, Compact and Powerful.
- Comfo Strap: self adjusting comfo strap guarantees a perfect fit in diving as well as snorkeling activities.
- It can be used with bare feet or, if need be, 3mm sockets.

Available in two colours:

Green(Men), Pink(Ladies)

Retail Price: € 110.00
